

## NorthstarMLS Dashboard Guide

The new NorthstarMLS single sign-on (SSO) process gives you greater flexibility to personalize the dashboard where you can access all the applications and tools you need for your real estate business. This guide walks you through how to log in, choose and prioritize how apps appear on your dashboard and personalize the dashboard with your preferred settings.

## How to Sign into the Dashboard

1. To sign into the dashboard go to <a href="https://member.northstarmls.com/">https://member.northstarmls.com/</a> and click the "Click Here To Login" button.

2. Enter in your normal credentials and click "Login" or click on "Forgot Password?" if you have forgotten your password.

3. Once logged in, you will have access to NorthstarMLS core services along with links to Associations, National, State and other resources. On the left side of the screen there are quick links for support. At the bottom of the page there is access to NorthstarMLS's social media platforms.

	National & State Reso	ources				

4. To log out or change your password, click on your name in the upper right-hand corner.

## How to Customize Your Dashboard

**1. Select Your Preferred Apps.** Click on the "+" icon on the upper right side of the screen to manage apps and choose which systems you prioritize.

NorthstarMLS Dashboard Guide

4. Change Dashboard Section Order. You can customize the order in which Applications, Associations and Other Resources are listed on your screen by clicking on the gear icon to change the dashboard configuration. In addition to changing the order of the dashboard sections you can also hide them completely by clicking on the eye icon.
