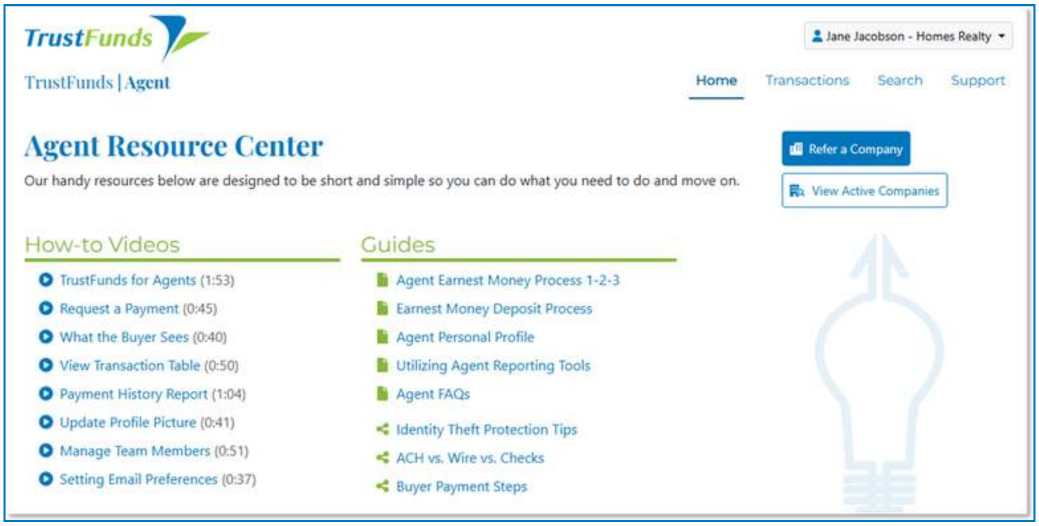
Finding your Agent Resource Center

Access your TrustFunds Resource Center from the MLS home page or after completing a request. Your resource center contains valuable tools such as:

- Short videos & guides
- List of active companies accepting TrustFunds earnest money
- View Transactions
- Get support
- Update your profile



Agent Profile Set-up

Click the profile dropdown in the upper right corner of your account screen to access the profile page. From your profile you can:

1. **Add a Profile Photo under Profile Information** - By adding a photo, the communication to the buyer is branded with your photo and contact information. This allows the buyer to easily see the email request is coming from their agent.
2. **Set-up Notifications** - TrustFunds allows you to manage email notifications regarding changes in Earnest Money status for both the Buyer's and Listing transactions.
3. **Team Set-up** - You have the ability to add Team Members who can act on the your behalf. All team members have the ability to view transactions in the Transaction Table.
4. **Convenience Fee Settings** - TrustFunds gives you the ability to add an account, if want to pay the convenience fee for some or all of your transactions.
