

Buyer Earnest Money Payment Process

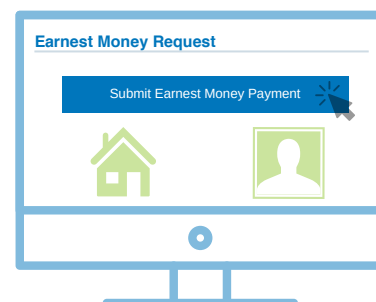

in 3 simple steps

Using TrustFunds for your digital earnest money payment is easy, convenient, and more secure than a wire or paper check.

1

Open your TrustFunds Earnest Money Request email on any device

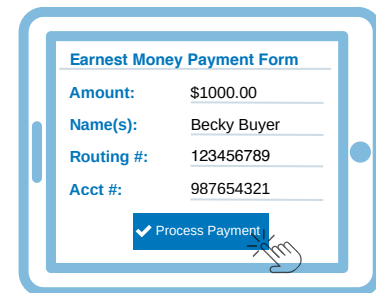

The email will provide you access to submit your payment. An image of the property and contact information for your agent is available to ensure the email is legitimate.

2

Complete the Earnest Money Payment Form

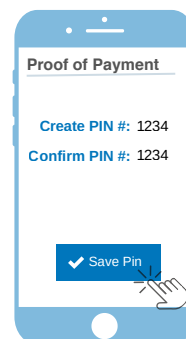

Complete the Earnest Money Payment Form to process the payment. Unlike a paper check, your information is fully encrypted, allowing you to keep your bank account information secure.

3

Create a 4-digit Pin Number to Access your Payment History

TrustFunds will email you when the payment has completed processing (3-4 business days). You will use your four-digit pin to access your proof of payment.

THAT'S IT - YOU'RE DONE!
