Roomvo

A OneHome Integration

Enhance your listings, engage your buyers, & drive more business

Roomvo is the leading visualization platform for the real estate industry, and is integrated into the OneHome platform to empower you and your clients to effortlessly reimagine spaces—whether by previewing home decor products in their own rooms, or by visualizing potential homes in OneHome.

Roomvo leverages proprietary AI-driven technology with a proven track record of increasing sales and is trusted by millions of consumers worldwide, including top brands and real estate professionals alike.

Secure more listings

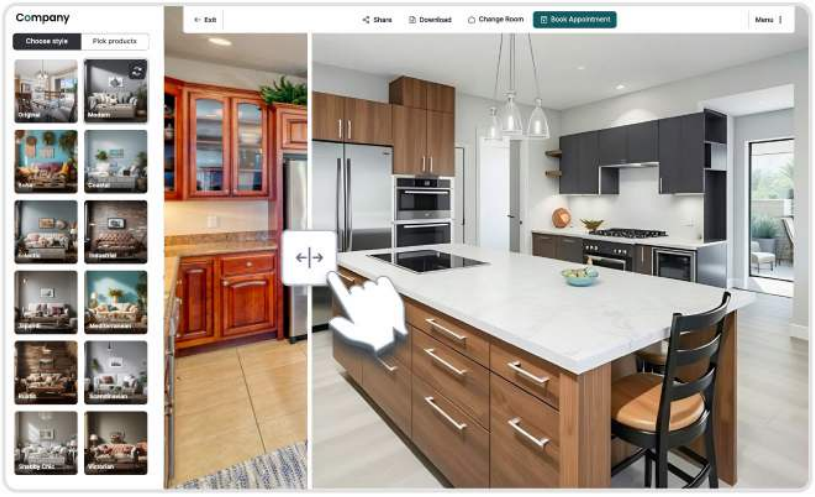

Show your sellers how simple updates can boost their home's value and reduce time on the market, as well as overcome objections by instantly redesigning outdated spaces to help buyers visualize the home's potential.

- Instantly redesign any room
- Explore real design styles and finishes
- Ability to share visuals with clients—or anyone else

Sell homes faster

Roomvo's AI-designer turns their listings into must-see properties, helping buyers see the potential in every property and driving 170% more home tours.

- Engage buyers & increase conversions
- Stand out from competitors
- Included natively in MLS listings

Roomvo's AI-designer transforms listings into must-see properties

Roomvo is already available on your MLS listings—are you reasy to make the most of it?, empowering your members to grow their business, drive more home tours, and close more deals, faster.

Talk to your MLS for more information about Roomvo & this game-changing integration in OneHome.
